

Appendix 18

Photographs

Photo 1 General view looking north from spoil heaps on southern boundary of site.

Photo 2 General view looking west from main access road into site. Note changes in ground level.

Photo 3. General view looking NE towards derelict farm buildings. The large galvanised steel shed in the centre of the picture is outside the Gors Farm site.

Photo 4 Second entrance from Gors Road into farmyard. River Gele is to the left of the picture.
